| 1 They travel far to find food. | 2 They live in trees. |
| 3 They can fly very high. | 4 They eat only flowers. |

28

Sara decided to join a five-kilometer race in her town. She was not good at running, and at first she could run for only ten minutes. Her coach told her to run slowly three times a week and write down the time after each practice. Sara's friend also practiced with her on Sundays, which made running more enjoyable. One day it rained, so Sara trained inside the gym instead of skipping practice. On the day of the race, she did not win, but she finished without stopping. She was proud because her goal was not to be the fastest runner but to keep trying until the end.

What did Sara decide to join?

- | | |
|--------------------------|----------------------|
| 1 A five-kilometer race. | 2 A swimming lesson. |
| 3 A cooking contest. | 4 A music festival. |
